**Product Dimensions are showed by (W × D × H)**

- W (Width) → The left and right directions dimensions when looking at the front.
- D (Depth) → The vertical dimension when looking at the front.
- H (Height) → The front-rear direction dimension when looking at the front.

\*The front is the side that maximizes the appeal of the product. This is usually displayed facing the customer.

We develop our products in the spirit of  
 “和顔愛味— WAGENAIMI”

which is loved by people and makes people peaceful, not only through food safety,  
 but also through our corporate responsibility for the environment,  
 our contribution to the international community and the health of employees.

In March 2022, we acquired FSSC22000 certification for  
 its main factory and Minamishimohara factory.
